# Certified Pesticide Residue Free Product Status Report

## Announcements:

New Grower/Shipper:

Product:

- The Certified Pesticide Residue Free Product Status Report is a weekly publication created and distributed by SCS/NutriClean.
  - Promotion of Pesticide Residue Free certified products by retailers is restricted in certain areas.
  - Certification applies to specific fields and does not imply that an operation's entire production is certified.

For additional information, please contact Scientific Certification Systems (SCS) at (510) 452-8000.
